

سلام ,Salam!Hi!

## Biaaiid Farsi Yaad Begirim! (Let's Learn Farsi!)

Thank you for supporting your child in learning how to speak and write in Farsi. We are so pleased of the progress our students have made this school year and over the summer. We will continue provide Farsi Enrichment classes during the school year 2009-2010.

In addition to the weekly classes, we are offering Saturday morning Farsi classes from 9:15 am to 1:00 pm.

All classes offered will be 12 weeks and are limited to children age three to six. You may sign up in one or more of the special skill areas to be taught. All of the Farsi classes, weekdays or Saturday, are based on the first grade books in Iran. We will continue work in these books into the second half of the school year. Each class will focus on one of the four different skill areas, but the main focus in all classes will be the understanding of spoken and written Farsi.

Registration for Farsi Enrichment classes will begin upon receipt of this flyer and payment should be sent to the School Office. Please make checks payable to **Geneva Day School**. All classes are taught at Geneva Day School. You will be contacted by phone if we are unable to place your child in a class. Geneva reserves the right to cancel classes due to insufficient enrollment. No refunds will be issued after the start of the first class. If Geneva is closed, no enrichment classes will be held. If Montgomery County Schools are closed due to weather, or schools close early, no enrichment classes will be held. The instructor will notify each family by phone if Saturday classes are cancelled. We will make every effort to make-up cancelled classes.

Please, take a look at the tables and pick the classes that meet your needs.
