

# Geneva Day School COVID-19 Policies

Updated 5/6/2022

## **ISOLATION: Persons 2 years of age and older who test positive for COVID-19 or have COVID-19 symptoms, regardless of vaccination status**

Day 1 is the first full day after the first symptom began or the first full day after testing positive for COVID-19 via a PCR or Rapid Test with no symptoms.

Day	Action
<b>Day 1-5</b>	<ul style="list-style-type: none"><li>• Stay home, isolate, and wear a well-fitting mask around others in your home</li><li>• Postpone social activities</li><li>• Other family members should also wear a well-fitting mask</li></ul>
<b>Day 6</b>	<p>You may end isolation and return to school if:</p> <ul style="list-style-type: none"><li>• You have been fever-free for at least 24 hours without using fever reducing medication and</li><li>• Your symptoms are improving</li></ul> <p>You must continue to stay home and isolate if you still have symptoms that are not improving and should consult with a health care provider</p>

## **QUARANTINE: Persons 2 years of age and older who are not fully vaccinated or boosted and exposed to COVID-19**

Day 1 is considered the first full day after the date of last close contact. If you develop symptoms, contact your healthcare provider and get PCR tested on Day 5. If positive, stay home and follow recommendations for isolation in previous section

Day	Action
<b>Day 1-5</b>	<ul style="list-style-type: none"><li>• Stay home, isolate, and wear a well-fitting mask around others in your home</li><li>• Postpone social activities</li><li>• Other family members should also wear a well-fitting mask</li></ul>

Day	Action
Day 5	Get PCR tested. <ul style="list-style-type: none"> <li>• If your PCR test result taken on day 5 is negative, you have been consistently wearing a well-fitting mask, and you have no symptoms without the use of medication, you may return to school on Day 6</li> <li>• If your test result is positive, stay home and follow recommendations for isolation</li> </ul>
Day 6	You may end quarantine and return to school
All days	During quarantine you must: <ul style="list-style-type: none"> <li>• Wear a well-fitting mask if you must be around others</li> <li>• Avoid being around people who are high risk</li> <li>• Avoid travel</li> </ul>

**Persons 5 and older exposed to COVID-19, who are fully vaccinated and/or boosted *or* persons who tested positive for COVID-19 within the last 90 days and have completed isolation**

YOU DO NOT NEED TO QUARANTINE, BUT:

For 10 days, you should:

- Wear a **well-fitting mask** whenever you are around others,
- Avoid being around people who are high risk, and
- Avoid travel

If you develop any symptoms you should be PCR tested, stay home, contact your healthcare provider, and follow recommendations for isolation as appropriate.
