

Fall 2024
4s' Enrichment Program
Tuesdays, Wednesdays & Thursdays

This special enrichment program has been designed specifically for 4-year-olds who will be enrolling in Kindergarten next year. The 4s' Enrichment Program will build on and expand the reading, math, and writing skills that are being taught in the classrooms. The program will utilize *The Whole Language Approach*, using early reading books, math manipulatives, and literacy/math centers. Games, art, cooking, music, and movement will also be incorporated when appropriate into the program to expand on these skills as well.
