Welcome to Geneva Summer Camp for Young Children!
During the Summer Program, children are involved in a variety of age-appropriate recreational activities in a safe and supportive environment. Our experienced staff and trained Summer Program counselors provide guidance, assistance, and encouragement, as children play, learn, socialize, explore and discover in our outdoor space and indoor classrooms. Children enjoy water play, arts and crafts activities, gardening, group games, outdoor fun, picnics, exploring some of nature’s wonders, and more. Some of the indoor activities include arts and crafts, group games, movement activities, story time, plus fun and engaging circle time activities.

**General Information:**
Geneva Day School Summer Program was established in 1978 and is licensed by the Maryland State Department of Health and Mental Hygiene and Maryland State Department of Education (MSDE) Office of Child Care (OCC). Geneva Day School Summer Program admits children ages two through six on a non-discriminatory basis without regard to race, color, sex, religion, or national origin.

**Drop-Off and Pick-Up Procedures:**
Parents will use the carpool line to drop-off and pick-up their child using an assigned carpool number. Please display your carpool number on your visor.

**Lunch and Snack:**
Nutritious morning and afternoon snacks are provided. Children should bring their own lunch in containers that they can open independently. We will be refrigerating lunches after arrival. Please pack the lunch in a lunchbox with your child’s name. **No water bottles are allowed.** We will provide water and milk.
Clothing:
Lightweight summer play clothes are considered appropriate dress, with closed-toed shoes for safety. We ask that each child bring a tote bag to camp each day with his/her name clearly marked. Tote bags are available for purchase in the Office. Please pack a swimsuit, towel, and water shoes for water play, a hat for outdoors activities, and masks; sunglasses are optional. All personal articles must be labeled with the child's name. We recommend parents send an extra set of clothes in a Ziploc bag, labeled with your child's name, to be kept in the classroom in case of any accidents.

Sunscreen and Bug Spray:
The use of sunscreen and bug spray is advisable for all outdoor activities. Please apply it before your child arrives at camp. Our counselors are happy to re-apply sunscreen and bug spray if given permission for any full-day campers. Please provide approval on the registration form and provide us with sunscreen and bug spray labeled with your child's name in a Ziploc bag to keep in their tote bag.
