

ART & MUSIC PARTY

Artists make the world a better place to live

Students will learn the basic knowledge of music including **rhythm** concepts and an introduction to **music notes**.

Children will learn to:

- Play the xylophone and perform as a group on stage.
- Create rhythm with their body parts such as the hands, feet, fingers, and mouth (**BODY PERCUSSION**). In this case, the body is used like an instrument, to produce rhythmic sounds.
- Play rhythmic songs with percussion instruments.

Concurrently, music concepts will be conveyed to the children by using **stories**, **painting**, and **visual arts**.

We highly recommend that students continue to practice the concepts learned in class at home on a simple xylophone. The enrichment will culminate in a **performance by the children on December 12th** (the final session). All parents are welcome to attend.

12 weeks Monday 3:00 – 3:45 pm (\$300)

Beginning 9/12, ending 12/12 (No class 9/26 and 10/31)
